Subject: PDP Annual Summary and Glyphosate in the news

Good morning,

Here is an article that uses the recent Pesticide Data Program Annual Summary release and the piece by Reuters to start a lengthy piece mostly against glyphosate ...runs through support for organics... and even links to our Farmers Market Directory as way to avoid pesticides...then support for Organic Consumers Association (OCA). "USDA Claims Pesticide Residues in Food Is Safe—Here's Why They're Wrong" By Dr.Mercola CWEBNews)
